Vehicle make and year: 2011 GMC Savana 4X4 van

Mileage: 59700 (indicated)

VIN: 1GJZ7GFZ5B1133550

Vehicle appraised at: Yakima, Washington

Appraised for: Better All Auto Sales

On Aug. 23, 2022, I evaluated the vehicle described above for the purpose of providing an estimation of the vehicle's cash value on that day. My evaluation included the vehicle's exterior, interior, chassis, and engine compartment, and is based on authenticity, preservation/restoration, maintenance, and/or replacement costs.

Special features

Six-liter V-8 engine, automatic transmission, four-wheel drive, power steering, power windows, power locks, four-wheel power disc brakes, air conditioning, cruise control, AM/FM/CD sound system, full gauges, front bucket seats, tilt wheel, 15-passenger seating.

Comments

Engine/Engine Compartment

The engine compartment was clean, with no visible fluid leaks. The engine started easily and idled smoothly with no smoke or unusual noises. Belts and hoses appeared in good condition. Wiring was properly routed and secured.

Chassis

The truck's chassis appeared in good condition, exhibiting no fluid leaks from the transmission, transfer case, or front or rear differentials. The vehicle was equipped with four-wheel disc-brakes. The exhaust system was in good condition, showing only minor surface rust. The chassis was equipped with factory painted-steel wheels and 245/75R16 tires. Wheels were in good condition and tires were serviceable with no irregular or unusual wear patterns.

Interior

The interior was in good condition, showing little if any wear on the cloth upholstery of the front bucket seats or the four rear passenger seats. The headliner, vinyl floor covering, and door panels were also in good condition. The padded dash, instrument cluster, steering column, and steering wheel were in very good condition. The vehicle was equipped with an AM/FM/CD sound system.

Exterior

The exterior of the truck was in very good condition and the paint showed good gloss and reflectivity. Fit of the doors and hood was very good. Front and rear bumpers were in very good condition, as was the grille and front trim. All glass was also in very good condition.

Summary Comments

This is a heavy-duty one-ton, 15-passenger van that has been upgraded to a four-wheel drive chassis. It is well optioned and has been driven an average of only about 5,000 miles per year since new.

Condition Grade: #3

After careful evaluation of this vehicle based on my expertise and experience, and after consulting a number of valuation sources in print and online, and after consulting with other professional appraisers and automotive experts when necessary, I appraise (estimate) this vehicle as having a cash value of \$36,500.

I hereby state that I have received no compensation for this appraisal from any source other than my fee. Therefore, I have no actual or potential conflict of interest in providing this appraisal.
